

An Authentic Rustic Flair Combined with Simple Elegance

Marley Felicia Photography

This 100 year old barn is a unique find in Southern Alberta. Originally built in Chicago in the early 1900's and then disassembled in the 1990's and put in storage, we found this gem in perfect condition in 2019 and brought it up to our property. This authentic Timber framed barn was updated with the highest quality, reclaimed wood found in Canada, with construction finishing in June 2020. Now, the Countryside Barn sits tall just minutes outside of Lethbridge, Alberta, and 90 minutes south of Calgary, Alberta.
